CONTENT OF THE ZOON+ BOX

[Schéma avec chaque accessoire](#)

- . ZOON+
- . A dual USB cable
- . A remote control
- . A charger
- . A box

STARTING UP THE ZOON+

[Schéma pour chaque étape](#)

Important: Follow these steps for a classical use, alone or in couple (local mode) and for at-a-distance use via Internet

1/ Plug in the device

Plug in the USB cables in the remote control and the ZOON+ charger.

2/ Loading of ZOON+

Put ZOON+ on your loader. A small red light blinks when it is loading.

When the light stops blinking, ZOON+ is loaded.

The loading length is about 3 hours

Once loaded, you can unplug and store the dual USB cable in your box.

3/ Synchronization of ZOON+ with the remote control

Press the button I-GEN of ZOON+ until it blinks rapidly.

Press within a very small interval on any button of the remote control.

The I-GEN button of ZOON+ blinks 3 times slowly, the synchronization is active.

4/ Starting up ZOON+

Press the key I-GEN on the remote control to start ZOON+

Press the keys + or – of the remote control and make the vibrations progress at your own rhythm.

→ To stop the vibrations, press the key [PICTO] of the remote control

USING ZOON+ VIA INTERNET

® How to enjoy myself with ZOON+?

. Classical utilization with the remote control, alone or as a duo

ZOON+ is a pleasure object controllable from a distance with a wireless remote control.

The reach of the remote control is about 10 meters.

. Utilization via Internet

Your partner controls the ZOON+ vibrations from a distance thanks to an Internet connection via the website: www.i-zoon.com

(cf. INSTRUCTIONS FOR USE: Use ZOON+ via Internet and the technical user manual: Utilization of the programs ZOON+ via Internet)

→ Can my partner make ZOON+ vibrate from anywhere?

Yes, no matter how far the distance is! To make ZOON+ vibrate, your lover only needs an Internet connection.

Once connected on the website: www.i-zoon.com , he selects the programs that will make you shiver with pleasure (cf. TECHNICAL USER MANUAL: Utilization of the programs ZOON+ via Internet)

→ Is my code confidential?

Yes your code is encrypted and strictly confidential. You are the only one able to communicate with your partner.

For each new connection on www.i-zoon.com , there is a new and unique confidential code generated.

® I lost one of the devices (battery, USB cable ...) what should I do?

Go to the website www.i-zoon.com and click on « Contact-us ».

® **Should I change the batteries ZOON+?**

No. ZOON+ is an ecological pleasure object: the battery is incorporated and rechargeable with the USB cable.

® **How long should I recharge ZOON+ before using it?**

Whether for a classical use (local mode) or for a use via Internet, you should charge ZOON+ for 3 hours.

® **Once ZOON+ is charged, what is its autonomy?**

The autonomy of use of the ZOON+ is about 1 hour.

® **Is ZOON+ waterproof?**

Yes. ZOON+ is waterproof; so you can use it while taking a bath or a shower.

Warning: all the other accessories of the box are not waterproof and should never be in contact with water.

|------------------|
| USER TIPS |
|------------------|

Use ZOON+ without any complex or taboo in the craziest and most original places:

In the restaurant: You go out with your partner and during your meal the latter sets in motion the ZOON+ vibrations with the remote control. Imagine the excitement; you are the only ones knowing the ecstasy you live!

Short lunch break at work: You feel like a very naughty break? A simple click on Internet and your partner will trigger the vibrations of your ZOON+ from a distance ... after so much excitement; you can serenely resume your work!

In your bath: Need some time to relax, just for yourself? Use ZOON+ lying in the water and uncover an aquatic nirvana!

With a Webcam: Is your lover far away from you? Let him look how you « e-zoon » with voluptuousness. You are sure to increase tenfold your excitement and your partner's!

User tips: For a utilization even more sensual of your ZOON+, we suggest you the intimate gel **I-GEL** * by the laboratories I-GEN HEALTHCARE.

Thanks to its smooth and moisturizing formula, this lubricant gel and massage '2 in 1' is the accomplice of your most sensual games.

Far beyond the international enforced regulations, I-GEN is committed to only use soft, hypoallergenic and tested under dermatologic control ingredients, with the greatest respect to the environment.

DETECTION OF TECHNICAL PROBLEMS

In order to solve rapidly the problems you can encounter by using ZOON+, follow the advices of this section.

§ Utilization of the ZOON+ via Internet

→ Mr ZOON: the connection to www.i-zoon.com was successful

Problem: You press P (program), the following message is displayed: ' Device not started. Please press the start button'.

Solution: Click on the button ON (*PICTO*)

Then, you can press on P (program)

→ Mrs ZOON: the connection to www.i-zoon.com was successful

Problem: Once the program is opened, the following message is displayed: 'Device not found'

First possible case: The pilot was not installed

Solution: Install the pilot (cf. INSTRUCTIONS FOR USE: Steps to follow for Mrs ZOON/ Install the pilot online within few seconds: www.i-zoon.com)

Second possible case: The pilot has been installed

Solution: Unplug the remote control from your PC. Restart the program and plug in the remote control once the window 'Please connect your device to your PC' is opened.

Then click on OK.

§ ZOOM+ does not function anymore

Possible case: ZOOM+ needs to be charged

Solution: Refer to the section INSTRUCTIONS FOR USE: Starting up ZOOM+

If you have normally charged ZOOM+, but the sexy toy does not function yet; it means that we've been beyond the 600 utilizations. In that case, refer to the section: recycling the product.

§ I cannot insert the USB cables into the remote control and the charger of the ZOOM+

Solution: Make sure the cables are correctly oriented. Each connector can only be inserted in one way.

CLEANING AND MAINTENANCE

By taking care of your ZOOM+, you expand its life span!

- . Clean ZOOM+ after each utilization with an antibacterial soap
- . Don't use any cleaning agent neither made of petroleum nor acetone
- . Store it into its box with the other accessories so sheltered against dust

CAUTION

Do not use ZOOM+ neither on swollen and inflamed zones nor if you have small lesions.

Stop the utilization if it is painful or uncomfortable.

Pregnant woman: We advise you against the utilization of ZOOM+.

RECYCLING THE PRODUCT

Sustainable development is a permanent concern of the Laboratories I-GEN HEALTHCARE. Therefore, I-GEN encourage recycling the products.

The symbol of the crossed waste bin [picto] indicates that ZOON+ cannot be treated as an ordinary domestic waste. It should be brought to your recovery and recycling center of electrical and electronic equipments. You contribute to the environment protection by getting rid of the ZOON+ correctly.

DISCLAIMER STATEMENT

ZOON+ must be used between adults and I-GEN will not be in any case liable for the consequences of its utilization.

WARRANTY

In accordance with the European provisions, our products are guaranteed within the limits prescribed by the law.

One year warranty.

In case of problem, log onto the website www.i-zoon.com and click on « contact-us ».
